

# Resuscitation for Emergency Physicians: The AAEM Course

## Course Description

Resuscitation for Emergency Physicians (REP) is an integrated resuscitation course for the emergency physician.

The REP course is an advanced course for clinicians that will encompass a broad spectrum of topics including neonatal, pediatric and adult resuscitation; medical and trauma care will be discussed.

REP is the first integrated resuscitation course developed by an emergency medicine professional society that is tailored to the needs of emergency physicians.

Emergency physicians who want to take a single integrated resuscitation course taught at an advanced level, rather than taking ACLS, PALS and ATLS will find REP to be a rewarding experience.

**PREREQUISITE:** Course participation will require either Board Certification or Residency Training in Emergency Medicine.

## Credit Designation Statement

AAEM designates this live activity for a maximum of 14.5 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Learning Objectives:

1. Develop advanced resuscitation skills that can be applied to medical, trauma and undifferentiated patients of all age groups.
2. Develop an approach to complex medical and traumatic disease processes based upon a discussion of current medical literature.
3. Develop an integrated approach to resuscitation in the emergency department.
4. Discuss by way of a case-based approach multiple key medical and traumatic conditions in an evidence-based format.

## Course Schedule

### Monday, February 6, 2012

7:40am	Introduction
7:45am	Cardiac Arrest
8:45am	The Tox Patient in Extremis
9:35am	Break
9:50am	Sepsis
10:50am	ACS
11:40am	Lunch (on your own)
1:10pm	Dysrhythmias
2:10pm	Chest and Abdominal Trauma
3:00pm	Break

3:15pm CNS Trauma  
4:05pm Pelvis and Extremity Trauma  
5:00 pm Adjourn

**Tuesday, February 7, 2012**

7:45am Shock  
8:45am Respiratory Failure  
9:45am Break  
10:00am Pediatric & Neonatal Resuscitation  
12:00pm Lunch (on your own)  
1:45pm Non-Traumatic Neurologic Emergencies  
2:45pm Break  
3:00pm Critical Care: Beyond the "Golden Hour"  
4:00pm The Crashing Patient  
5:00pm Adjourn

**Course Directors**

**William Brady, MD FAAEM**

*Professor and Vice- Chair, Department of Emergency Medicine & Professor of Medicine, University of Virginia Health System, Charlottesville, Virginia*

**Andrew Perron, MD**

*Professor and Program Director, Department of Emergency Medicine, Maine Medical Center, Portland, ME*
