

The AAEM Emergency Medicine Written Board Review Course

August 21–24, 2012 Newark, New Jersey

COURSE FEATURES

- Up to 27.00 hours of intense review of EM board materials.
- Fast, intense and thorough. Great review of EM even if you aren't taking your boards.
- Reasonably Priced - Includes lunch on Wednesday and Thursday.
- Easier to reach location in Newark, NJ, with courtesy shuttle to Newark Airport, train to NYC (15 min.) and on the Amtrak Northeast Corridor Line.
- Experienced Faculty - Board Eligible or Board Certified Emergency Medicine Practitioners.

CONTINUING MEDICAL EDUCATION

Accreditation Statement

The American Academy of Emergency Medicine (AAEM) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

The AAEM designates this live activity for a maximum of 27.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy

All staff & faculty participating in continuing medical education programs sponsored by AAEM are expected to disclose to the audience any real or apparent conflicts of interest to the content of their presentations. AAEM's Education Committee and ACCME Subcommittee have established procedures to resolve conflicts of interest.

The Following Planning Committee Members and Staff Have Disclosed No Relevant Financial Relationships:

Marcia Blackman
James Colletti, MD FAAEM
Richard Shih, MD FAAEM
Michael Silverman, MD FAAEM FACP
Michael Winters, MD FAAEM
Janet Wilson

The Following Planning Committee Members and Staff Who Have Disclosed Relevant Financial Relationships

Kay Whalen
Executive Director Inc., Ownership Interest

LEARNING OBJECTIVES

Upon completion of this course, participants will be able to:

1. Describe common hematologic & oncologic emergencies, environmental disorders, neurotrauma cases, musculoskeletal emergency presentations, renal & urogenital disorders, cutaneous disorders and pediatric disorders.
2. Recognize visual images associated with common emergency medicine presentations defined as critical or emergent in the 2009 Model of the Clinical Practice of Emergency Medicine.
3. Identify the clinical presentation and discuss systemic infectious diseases, abdominal and gastrointestinal disorders, traumatic disorders, cardiovascular board topics, dermatologic emergencies and toxicology board topics.
4. Outline complications and management of endocrine/metabolic disorders, HEENT board topics, thoracic and respiratory disorders, obstetrics/gynecology emergencies and electrocardiography board topics.
5. Evaluate their progress throughout the course and apply the knowledge gained in the course to better prepare them for the written ABEM or AOBEM certification or recertification exam.

TARGET AUDIENCE

This course is designed for:

1. Emergency medicine physicians certifying and recertifying with the American Board of Emergency Medicine (ABEM) or the American Osteopathic Board of Emergency Medicine (AOBEM).
2. Emergency medicine physicians who want a rapid, thorough and overall review of EM.

METHODS OF INSTRUCTION

In order to best meet the stated learning objectives, instruction will be provided in a lecture format, encompassing the core information most applicable to the written exams. Visual aids and handout materials will also be provided.

***Disclaimer: The material presented in this course is made available for educational purposes only. The material does not represent the only, nor necessarily the best, procedure or treatment for the situations discussed.*

COURSE SCHEDULE

Tuesday, August 21, 1:00pm - 6:00pm Thursday, August 23, 8:00am - 6:30pm
Wednesday, August 22, 7:30am - 6:00pm Friday, August 24, 8:00am - 12:45pm
