

2008 LLSA Review Course

This course is designed to provide the experienced emergency physician with an evidence-based review course for all of the required readings for the 2008 LLSA Review Course. Both direct instruction and small group instruction will be utilized. Content will be discussed both via PowerPoint and through small group discussion on key topics for each mandated journal article.

Credit Designation

AAEM designates this educational activity for a *maximum of 3.75 AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Learning Objectives

This course is designed for the experienced emergency physician who is required to pass the ABEM LLSA 2008 exam. At the conclusion of this course, participants will be able to:

1. Identify and recognize the key points in each assigned reading selection, which will prepare them to take the LLSA test.
2. Understand the emergency medicine board certification requirements.
