The American Academy of Emergency Medicine (AAEM) is the specialty society of emergency medicine. A democratic organization with over 8,000 members, AAEM is committed to establishing board certification as the standard for specialists in EM and securing fair and equitable work environments throughout the EM community.
WE WOULD LIKE TO INVITE YOU!

Participate as an exhibitor and/or financial supporter of our 25th Annual Scientific Assembly (AAEM19), March 9-13, 2019, at the Caesars Palace in Las Vegas, NV.

AAEM19 offers your organization the unique opportunity to present products and services to the AAEM membership — comprised of board certified emergency physicians, residents and medical students in emergency medicine.

This year’s exhibit hall in Las Vegas will be located on the same floor as the plenary and general sessions, set with 8’x10’ exhibit spaces, and time will be set aside for attendees to visit the exhibits. In addition, new opportunities to sponsor lounges and educational sessions will be available.

We will continue to offer premier exhibiting hours which condense booth activity during peak times, enhanced exhibitor profiles on the Scientific Assembly mobile app, and increased attendee exposure through customized incentives to drive booth traffic including the ever popular “Passport to Prizes” contest.

By exhibiting at AAEM19, your organization will enjoy exclusive access to the AAEM membership as well as numerous non-member delegates — practicing emergency physicians seeking the latest information in the field. Exhibitors also receive a 15% discount on advertising in the AAEM member magazine, Common Sense, which will feature expanded coverage of the Scientific Assembly in its Nov/Dec 2018 and Jan/Feb 2019 issues for materials submitted by the deadline.

Please take the time to review the information in this exhibitor prospectus, and then make the decision to join us at the only major event in emergency medicine targeted directly at the educational needs of the board certified emergency physician.

See you in Las Vegas!

OFFICIAL SERVICE CONTRACTOR

Heritage Exposition Services has been named the official service contractor for the 25th Annual Scientific Assembly and is appointed to ensure the orderly and efficient installation and removal of the overall exhibition.

Heritage Exposition Services will provide and assure the distribution of labor to exhibitors according to need, see that the proper type and limits of insurance are in force, and avoid any conflict with facility regulations and requirements. Heritage Exposition Services will staff and maintain an on-site service desk before, during, and after the exhibition to serve as a focal point for exhibitor needs. Furniture, decorative signs, labor and other services will be available at the Heritage Exposition Services service desk.

Exhibitors will receive the official service kit after their booth assignment has been made. The service kit will contain information on:

- Freight shipping and handling
- Labor regulations and rates
- Furniture, display, and other decorating rentals
- Ordering electrical and telephone service
- Audio/visual and computer rentals

No advance freight or truck shipments will be accepted by the Caesars Palace due to physical limitations in dock space and storage facilities on the premises. Therefore, it is necessary to arrange for outside drayage and storage. This arrangement controls and simplifies the movement of all shipments.

Heritage Exposition Services will receive and store display and exhibit materials, deliver items directly to each exhibitor’s booth, handle and store the empty crates during the length of the show, return them to the exhibit space upon show closing, and load them onto outgoing transportation at the conclusion of the event.

Heritage Exposition Services will store material received at its warehouse for a period up to 30 days prior to exhibit installation. Shipping information and the warehouse address will be included in the exhibitor service kit. The kit will also contain information on shipping directly to show site for delivery during exhibit installation hours.

Independent Contractors: Exhibiting companies who plan to use the services of a display house service firm other than the designated contractors must abide by the following rules: The exhibitor must notify AAEM Exhibit Management, in writing, with the name of the display house/service firm, address, telephone number and contact person, no fewer than 30 days prior to the meeting. In addition, the service firm must furnish a copy of an insurance certificate to AAEM in the amount of $1,000,000 combined single limit liability to include personal injury and property damage. The Caesars Palace, its owners and Vici Properties and Caesars Entertainment shall be named as additional insureds.
