WAYS TO SUPPORT OUR MISSION

AAEM offers various ways for you to get involved and contribute to our advocacy and education initiatives. Discover how you can make a difference by exploring the opportunities below.

AAEM FOUNDATION

AAEM established its foundation to:

- (1) study and provide education on the access and availability of emergency medical care, and
- (2) defend the rights of patients to receive, and emergency physicians to provide, such care.

The latter purpose may include providing financial support for litigation to further these objectives. The Foundation will limit financial support to cases involving physician practice rights and cases involving a broad public interest.

LEAD-EM

The AAEM Institute for Leadership, Education & Advancement in the Development of Emergency Medicine, Inc. (LEAD-EM) was established after the tragic and unexpected death of AAEM's

President, Dr. Kevin G. Rodgers. The Kevin G. Rodgers Fund and the Institute will LEAD-EM just like Dr. Rodgers did. The funds will support crucial projects aimed at developing leadership qualities and enhancing the clinical and operational knowledge of emergency physicians. These initiatives are designed to improve and advance the quality of medical care in emergency medicine, ultimately benefiting public health, safety, and well-being.

FOUNDERS CIRCLE

emergency physicians. As a result, the Founders Circle was created to promote sponsorship for emergency medicine residents and residency programs. Contributions to the Founders Circle are designated for sponsoring group memberships for residency programs, thereby introducing residents to AAEM's mission and core values.

The cost of an individual resident membership is as follows:

- 1 year - \$60 .00
- 2 years - \$100 .00
- 3 years - \$150 .00
- 4 years - \$200 .00
